## SELECTMEN'S REPORT

The year 1971 has been most fruitful for the Town of Conway. We have seen many adjustments and new procedures taking place, which will eventually effect changes in our environment, in our future operations as a Town, and even in the basic procedures used for the collection of taxes.

Earlier this year, the Town of Conway Experimental Incinerator became a reality and has handled refuse during the peak period of this year with outstanding efficiency. We continue to experience problems from time to time, which I believe is only natural for an experimental project. Our sincere appreciation goes to the R.C.&D. for their fine assistance and cooperation in this endeavor. The impact of this achievement may not concern too many of us, however, it might be said here that should this experiment prove successful, the Town of Conway will come within the Federal requirements for open burning, which I believe will be in effect by 1975.

Your Selectmen continue to work on the Swift River Covered Bridge project, and should our expectations be correct, we can look to 1973 for the initiation of construction of this bridge. It has been the Selectmen's contention from the outset that if modern day requirements could be met for a bridge of this type, it would become an invaluable asset to our area, and add immensely to our appeal as a recreation area.

In the field of ecology, your Selectmen have held many hearings throughout the year, and have been most adamant in our desire to protect the environment, which of course is our greatest natural resource. Along this same line, I might add that a number of vehicles in the Town fleet have been converted to propane gas operation, in the interest of ecology; and we have found that many advantages can be gained by the use of this type of combustion system. Whitaker Woods was purchased this year, and is being managed by our Town Conservation Commission. We look forward to the pleasant use of this area in the years to come.

Due to a petition which was presented to the Selectmen by residents of East Conway, action was initiated to determine how to check erosion on the banks of the Saco River which, should this situation continue, cause the river to change course, thereby flooding land which is presently being used for farming purposes. Hopefully with the Town as sponsor to this project, the Soil Conservation Service will initiate a project which will be constructed by the Corps of Engineers and financed by the Federal Government. Cost of this project is expected to exceed \$100,000.

Many other items of interest have occurred during the course of a year. We continue to re-establish and survey the road boundaries as much as possible and have completed this work in the compact area of North Conway; and we hope to do much more in the Conway area in the future months. The public beach in Center Conway was enjoyed by many this past summer, and we look to other areas that can be used for this purpose in the future.

Since our Tax bills have been automated and our tax cards refilled, greater accuracy in the taxation of parcels of land has been achieved, and in addition, we have had the opportunity of mailing the tax bills earlier in the year, which, of course, tends to reduce the total borrowing costs of the town..

There is one problem that has arisen over the past few years that I would like to mention here, that is the fact that many individuals that qualify for Old Age exemption do not file their exemption forms each year. This, of course, must be done since the status of these individuals can change from year to year. We have over the past few years accepted applications which have been filed before the tax rate was set. This would be in the vicinity of the first of October, even though these applications are required to be filed April 1st of each year. I would urge all individuals who qualify for this exemption request their applications, complete them, and return them to the Town Office prior to April 1st of each year.

In closing, I would like to express my sincere appreciation for being given the opportunity to serve you and would like to say "thanks" to all the friends I have been associated with in the Town Office, and especially to my fellow Selectmen who have been a pleasure to work with over the past three years.

## Report of Police Commission

This past year has seen a marked increase in police activity, and the demands on the department have been greater than ever before. On May 5th, we had examinations administered by the New Hampshire Department of Personnel for the positions of Dispatcher, Clerk Secretary, and Patrolman. Eight persons took the examination for Dispatcher and seven passed. Four persons took the examination for Clerk Secretary and three passed. Five persons took the Patrolman's examination and three passed. These examinations are considered vital and necessary in selecting those persons qualified to work in the field of law enforcement.

The Town of Conway continues to grow quite rapidly, both in business and community needs, and the police department must, of necessity, keep pace with that growth. The department has been doing a good job, and to continue to do a good job, the department must have an adequate number of personnel, properly trained, to keep up with the increased activities and the more demanding services required.

The commissioners have maintained a good working relationship with the selectmen and town manager throughout the past year, and this experience has shown that, with the help and cooperation of the town officials, taxpayers, police officers, and commission, the Town of Conway can have a department that rates not only highly in the state, but one that the people in the township can be rightly proud of.

## REPORT OF CHIEF OF POLICE

1971 left the Conway Police Department trying to catch its breath for 1972. Criminal complaints increased 43% over 1970's with a total of 1873 such complaints being investigated by the Department.

Arrests in misdemeanors and felonies increased from 498 persons in 1970 to 745 in 1971. During 1971 the Conway Police Department brought 564 cases before the Conway District Court, an increase over 439 cases in 1970. These cases included felonies, misdemeanors and motor vehicle violators.

Receipts from the Conway Court totalled \$11,354.00; an increase of \$4,252.71 over the \$7,101.29 received by the Town Treasurer from the Court in 1970.

Along with this workload, three officers from the Department are presently enrolled at St. Anselm's College, Manchester, N. H., in courses ranging from criminalistics to human relations and drug abuse. One of the officers is enrolled in the program which will lead to a bachelor's degree in Law Enforcement.

1971 found two firearm instructors qualified by the FBI from the Conway Department, which has broadened the firearms training received by the other officers.

Police Communications were improved by the purchase of new radios under a County-wide Law Enforcement radio network; which will enable the Conway Department to have direct communication with the New Hampshire State Police and Carroll County Sheriff Department personnel working in the Conway areas.

The funds for this project were funded by the Governor's Commission on crime and delinquency on a 75-25% basis; which found Conway's system, valued at \$9,000 costing the Town only \$2,300. This system will be installed early in 1972. With the gains in 1971 is another side. Conway Police Department's eight full-time personnel found themselves compiling nearly five weeks of overtime per man. This time not being paid as overtime, but compensatory time-off allowed when they could be spared.

This is an increase over 1970 which found each man putting in three 45-hour weeks of uncompensated overtime.

In our 1972 budget request, our largest increase is in the request for three additional police officers. With the work load increase experienced during the last two years by this Department the "uniform on the street" is being seen less and less as the men are dispatched

onto case work and long hours in the courtroom. This loss of the officer on the street can result in the loss of respect and good will of the public; a much needed ingredient here in Conway, as in a larger city, hence, losing the public's approval of its police force's existence, goals and actions.

Again, as in past years, we would like to extend a sincere thanks to the citizens of Conway for your backing and confidence you have placed in us this past year. Without this backing the goals of 1971 would not have been obtained and the projected plans for 1972 for your protection of life and property would not be feasible.

Thank you,

ALBERT G. LANE  
Chief of Police  
Conway, N. H.

## Report of Forest Fire Warden and District Chief

### LEST WE FORGET — IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the West Coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar-holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947; nothing could stop the wind driven flames.

Is it true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide.

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *Most Important* — Instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned, 1971 season: State, 463 fires, 160 acres; District, 42 fires, 16 acres; Town, none.

## Report of Conservation Commission

Subsequent to the vote, at the March 1971 Town Meeting, so authorizing it, the Conway Conservation Commission proceeded to acquire the Whitaker Woods property for \$67,500. On July 15th, 1971, the land was purchased by the Town of Conway. On December 28th, 1971 the New Hampshire Department of Resources and Economic Development presented a check for \$20,000 to the town as a reimbursed payment, thus lowering the town's total expenditure for the approximately 100 acres in the village of North Conway to \$47,500.

Conservation Commission members and the Town Manager have studied the area and are proceeding with the small amount of necessary work needed to put the woods roads into adequate shape for fire protection, should it be needed. Mr. Charles Wallace Whitaker, former owner of the property, has graciously donated \$1,000 to the town for this project.

Motor vehicles, including snowmobiles, minibikes, motorcycles, etc., are not permitted in Whitaker Woods and the area has been posted to this effect.

Among other projects brought to the attention of and worked on by the Conservation Commission were the following: Areas of scenic and ecological value proposed to be donated to the town, proposed dredging and filling at Conway Lake, proposed dumping of millwastes beside a brook, cleaning up of the dam site on Pequawket Brook in Conway Village protection of Artist's Falls Brook in North Conway, possible uses of the old Swift River covered bridge site, future uses of the Boston & Maine right of way and ownership within the town, establishing exact location and title of lands owned by the town, and litter baskets for Conway village. A map of floodplain and wetland areas in the Town of Conway was prepared for the Commission by the Soil Conservation Service. In conjunction with a group appointed by the North Conway Water Precinct additional swimming facilities for the town are being investigated.

The commission is dedicated to the promotion, proper utilization and protection of the natural resources of the Town of Conway and appreciates the help of its citizens.

## Water Safety Program — 1972

The Town of Conway appropriated \$1000.00 for 1971 to help pay costs of the Water Safety Program as directed by the Conway Chapter, American Red Cross.

It was not possible to use Crystal Lake in Eaton or Silver Lake in Madison for lessons as we have done in the past. Fortunately, we were able to have two sessions at Echo Lake State Park. Children from North Conway, Kearsarge, Intervale and Redstone attended the first one and children from Conway Village and Eaton attended the second session. Scheduling of classes for specific times was done for the first time, and parents and pupils appreciated this very much. 399 children were enrolled in classes.

The expenses for 1971 are listed. Salaries and mileage allowances are combined:

Echo Lake, First Session	\$602.80
Conway Lake	115.80
Echo Lake, Second Session	475.80
	<hr/>
	\$1,194.40

The Conway Chapter, American Red Cross, the co-sponsor of this program, pays all of the other expenses connected with the program. These expenses include training of the instructors. One instructor was sent to Aquatic School at a cost of \$70.00.

The staff for 1971 included:

Helen F. Hill, Water Safety Instructor  
Verlene Ohlson Kendrick, Water Safety Instructor  
Margery Eastman, Water Safety Instructor  
Leigh Bickford, Water Safety Instructor  
Stefanie Cravedi, Trained Water Safety Aide  
Lucy Warren, Trained Water Safety Aide

In addition, Ellen Gardner gave at least 80 hours of volunteer help as a practice teacher and Water Safety Aide in Training, under the supervision of the instructors.

Several of our staff gave an afternoon a week for the second year, teaching the children involved in the Water Safety Program sponsored by the Conway Association for Retarded Children.

STATE OF NEW HAMPSHIRE

TAX COMMISSION

**Summary of Findings and Recommendations**

Board of Selectmen  
Conway, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Conway for the fiscal year ended December 31, 1970, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given to the Town Clerk to be retained as part of the permanent records.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Public Library, and Trustees of Trust Funds.

**FINANCIAL STATEMENTS**

*Comparative Balance Sheets* — December 31, 1969 and December 31, 1970: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1969 and December 31, 1970, are presented in Exhibit A-1. As indicated therein, the surplus increased from \$28,870.61 to \$49,799.61 during 1970.

*Analysis of Change in Financial Condition:* (Exhibit A-2)

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

*Increases in Surplus:*

Net budget surplus	\$75,718.41	
Bonds Paid During Year	10,000.00	
Long Term Notes paid during year	6,000.00	
Decrease in Accounts Payable	12.22	
	-----	\$91,730.63

*Decreases in Surplus:*

Surplus Used to Reduce Tax Rate	\$68,000.00	
Tax Collector's excess debits	1,978.11	
Tax Liens Transferred to Tax Deeds	823.52	
	-----	70,801.63

<i>Net Increase in Surplus</i>		<u>\$20,929.00</u>
--------------------------------	--	--------------------

*Comparative Statements of Appropriation and Expenditures —  
Estimated and Actual Revenues: (Exhibits A-3 and A-4)*

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1970, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$41,032.76 plus a revenue surplus of \$34,685.65 resulted in a net budget surplus of \$75,718.41.

## **TREASURER**

*Summary Statement of Receipts and Expenditures: (Exhibit B-1)*

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1970, made up in accordance with the uniform classification of accounts is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1970, is indicated in Exhibit B-2.

*District Court: (Exhibit E).*

A statement of the account of the District Court for the fiscal year is presented in Exhibit E.

*Public Library: (Exhibit F)*

A statement of the activity in the Public Library account is presented in Exhibit F.

*Highway Bond Issue Fund: (Exhibit G)*

The unexpended balance of the Highway Bond Issue Fund at December 31, 1970 was \$33,201.56 and consisted of savings bank deposits as indicated in Exhibit G.

*Statement of Long Term Indebtedness: (Exhibit I)*

A statement of the outstanding long term indebtedness of the Town as of December 31, 1970, showing annual debt service requirements, is contained in Exhibit I.

## **AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such test of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

*Current Surplus:*

The current surplus (excess of total assets over current liabilities) increased by \$4,929.00 from \$125,870.61 in 1969 to \$130,799.61 in 1970, as shown herewith:

	Dec. 31, 1969	Dec. 31, 1970
Total Assets	\$633,573.08	\$650,039.12
Current Liabilities	507,702.47	519,239.51
	<hr/>	<hr/>
Current Surplus	\$125,870.61	\$130,799.61

*Cash in Bank:*

An analysis of bank statements for 1970, disclosed that surplus funds in excess of current requirements were left in non-interest bearing checking accounts for extended periods. We recommend that all surplus funds be invested by the Treasurer in accordance with the provisions of RSA 41:29 which is quoted in part, herewith:

"41:29 — Whenever the town treasurer has in his custody an excess of funds which are not immediately needed for the purpose of expenditure, he may with the approval of the selectmen invest the same in short term obligations of the United States, or in insured savings accounts of solvent banks in the state, except that such excess funds may be deposited in banks outside the state if such banks pledged and deliver to the state treasurer as collateral security for such deposits United States government obligation in value at least equal to the amount of deposit in each case."

Due from Conway Village Fire Precinct — \$6,626.50:

Due from Center Conway Fire Precinct — \$761.69:

Due from North Conway Lighting Precinct — \$644.46:

The above amounts were due the Town at December 31, 1970. These balances represent overpayments made to the precincts by the Town during 1970 on account of 1970 precinct taxes.

*Due from Trustees of Trust Funds — \$19,995.95:*

This amount consists of the following items:

1. Appropriation for Conservation of Land voted from Capital Reserve Fund (Article 15, 1970)	\$15,000.00
2. Transfer to Capital Reserve Fund in excess of Authorization (Exhibit A-3)	3,543.63
3. Due from Survey of Streets and Tax Maps Fund a/c 1970 Expenditures for Survey of Streets	1,452.32
	<hr/>
Total	\$19,995.95

The amounts in item 1 and 3 are due the Town in accordance with specific authorization noted for these purposes. With regard to item 2, it was voted during the course of the audit that the 1970 town meeting voted an appropriation of \$5,000.00 for the Survey of Streets capital reserve fund. The records, however, indicate that payments of \$8,543.63 were made for this purpose during the year. This resulted in an overpayment of \$3,543.63, which should be returned to the Town by the Trustees of Trust Funds.

*Highway Bond Issue Fund* – \$33,201.56:

This amount represents the unexpended balance of bond proceeds plus accumulated interest derived on investments at December 31, 1970, Section 3-a, Chapter 33, of the Revised Statutes Annotated provides that if a balance remains after the completion of the project or projects for which the debt was authorized, a town, by a vote of two-thirds of the voters present and voting at an annual meeting, may authorize the expenditure of the sum or sums on hand for any purpose or purposes for which bonds or notes may be issued for an equal or longer period of time. If such action is not taken, then these funds must be issued to pay the maturing principal of the debt created by the original loan.

There is no record that any vote was taken by the Town concerning the disposition of the balance in this fund. It is recommended, therefore, that the balance stated above be applied towards the payment of the principal of outstanding highway bonds as they mature, as is required by law.

*Due to East Conway Fire Precinct* – \$4.32:

*Due to Center Conway Lighting Precinct* – \$128.58:

These amounts representing unremitted precinct taxes assessed in 1970, are due the above precincts at December 31, 1970.

*Conclusion:*

The provisions of chapter 184 of the Laws of 1955, require that the report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Conway for their assistance during the course of the audit.

Yours very truly,

FREDERICK E. LAPLANTE

Director

Division of Municipal Accounting  
State Tax Commission
